“ Sue, My thoughts and prayers are with you at this time. It is so hard to think that you and Ida Ruth and I have all lost the ones we loved so dearly in a 2 month period. I was so sorry that I could not make the visitation or service but it was just not to be at this time. I can just see the three of them together, solving all the ag problems, as they have been for the past 50 plus years on the Farm Bureau board. Please know that you have a great support system who are there for you at any time.

“ I am so sorry for you loss. I have some great memories of Mr. Berkemeyer, Jack Jones and my Dad back all those years ago when I was growing up. Three special people, all together now in heaven. We will see them again. Take care and please call us if we can help you in any way. You are in our prayers.
