“ *What a better place this world was for having sweet Andy Byrd in it. I met Andy and his family when I worked at Action many years ago. I was even fortunate enough to stay a weekend with Andy and Ruby. I remember Andy loved to hear the song "To Catch a Falling Star"..and I have always thought of him when I would hear it. Love and prayers to his family and friends.*

“ *Bobbye and Family,
My Mother, Bonita loved Andy so much. The times she spent with him brought so much joy to her life. She was always telling me stories about listening to the jukebox with him, and how he would smile at her. The times I met him he touched my heart also. I know he will be missed by so many! I am praying for your whole family in this time of sadness. I know he is happy in Heaven with his Dad!
Much love, Heather*
