“ *Remember all the weekends when younger, camping, fishing and cook-outs we all had. Probably wasn't a weekend pass, that John didn't stop by our house. Times have caused us to all to spend so much time at work or with our lives; but will always have the great memories of years past.*

“ *To the whole Gunderman Family, I am very sad for the loss of John, or John Francis as I always called him. Years ago I worked for the company that did books for Gunderman Scrap Metal. I got to interact with John on a monthly basis. Then I joined the Knights of Columbus and he was always out there helping with the dinners and fussing with Charlie Tamburo. I can just hear them now, up there in heaven just a fighting. Sorry I couldn't be there for any of the services, but duty calls and just can't get away. I will keep you in my prayers.*

“ *I remember all of the years of hauling hay and everytime John having to tell Eddie how to drive the tractor to avoid getting stuck in the mud or on a hill. Never was a dull moment with him!*
