“ So sorry to hear about Johns passing. We had developed a friendship from the scrap yard. Had many good conversations. He was a good man and will be greatly missed by many.

“ Eddie was a good Man. No doubt about it. He didn't force himself or his opinions on others and, to me, just had a quiet, humble way about himself. While we were of different personalities types of people I sure respected Eddie, 100%.

“ One of the many memories I have of Eddie was how uncle John would always get on him about how he was driving the tractor when hauling hay. It could be in the middle of summer, and Eddie would find the one wet spot in the field and get stuck.
As kids, Eddie would always bring a VCR and a movie when they came out to the farm on Sundays.
Eddie was always good for a laugh and one that liked pranks.
Butch, y'all are in our thoughts and prayers. Holler if you need anything.

“ I met Mr Gunderman 5 years ago when I moved to Morrilton. He had two cats at his shop and We got to know each other talking about animals. I told him I'm with Rescue and He has a cat at his shop now that he got from me. He supported the Morrilton TNR program for the last four years. He Loved his Doberman's so much!!! We talked about them a lot too. He wouldn't tell people their names for a reason. If you know ...you know❤️He was just a really great guy and such a great friend. So sad to hear of this happening so unexpectedly. He will definitely be missed😭

“ Eddie's mom and my mom were sisters, and his dad and my dad were brothers, so our families were deeply intertwined. We took family vacations together and spent so much time together over the years-memories I will always treasure.

Eddie lived on the property adjoining Dad and visited him regularly, often bringing confections and other goodies he made himself. He checked on Dad, spent time with him, and showed genuine care. I am so grateful for the interest and effort Eddie gave, and Dad truly cherished his company.

Eddie passed far too young. I hate that he didn't get to enjoy the travel he talked about and had earned in the retirement years he looked forward to. Rest in peace, Eddie. I hope you're enjoying the sunny views of Turtle Bay in paradise.

Butch, I don't have the words. Please call me, whether you need help with anything or just someone to listen. You're carrying a heavy burden, and we love you.
