“ *Shirley and Family, Johnny was one of the nicest men that God ever let breathe. He was an inspiration to me as to what Faith really is. He definitely had Faith and he knew he was going to beat his sickness. I will remember forever the time I saw him at Wal Mart and I told him that I would pray for him. His eyes lit up like I had just given him a million dollars or something. Well Johnny you beat this disease, it's just a shame that old age had to catch up with you and take you. But I know one thing for sure, he's up there praying for all of us now. Heaven just gained another angel.*

“ *Uncle John was loved by us all and will be greatly missed. Daddy shares stories about him often and I know that those stories, along with my own memories of him, will be passed down for generations. (My favorite story involves Daddy and Uncle John crossing an electric fence that was turned 'off' :). I wish I could be with you in person tonight and tomorrow, not only to grieve for the loss of Uncle John, but more importantly to celebrate his life. Our thoughts and prayers are with you and we love you all!*
