“ *It is with great sadness that I have lost a good friend in Jack. We became acquainted in 1966 and have known each other since. Jack was a fellow veteran and though we did not serve in the same service we were brothers in the military services. He served 22 years and I served 26 years. I will always miss Jack and the conversations we once had. "Thou who dost keep with tender might the balanced birds in all their flight, Thou of the temperd winds be near, that having thee, they know no fear." From the Air Force Hymn. Fare winds and following seas brother.*
