“ A couple weeks ago. Jonny and Shea were moving. I stop by to chat with them for a few minutes and Jonny came outside. He said man rob that sure is a nice bike you have. I told him the keys are in it take it for a spin. Jonny got onto my bike and took off on it. He must've drove 80 miles an hour back-and-forth between four blocks about three times. When he finally stopped and got off the bike he had the biggest smile on his face. I don't think anything could have gotten rid of that smile. He said to me, it's been a pretty rough couple of days, but that ride sure did make my night thanks a lot Rob. 😭
I told him, if you guys need anything give me a holler I'm always here.

That was the last time I spoke with Jonny. I'm going to miss you brother. I'll be praying for your wife for the rest of your family. I love you man.

“ Johnny was always very respectful and very attentive to the services at Faith AG in Plumerville. He always had a smile and was always glad to be in the Lords House.
We are saddened by such a loss for his family and for us. We must place Johnny in God's hands and be assured that God is Just and God alone knows the heart of a Man. Our prayers go out to all family members. We loved Johnny and he will be greatly missed. Pastor Doug McClure

“ *He was such a good man. He was always funny. Everyone always took him the wrong way but pardon my language. Even assholes have good hearts. He never did me wrong. He was brutally honest the times he'd come around. Shae, I couldn't even imagine the pain in your heart. My heart hurts for you and those kids and the rest of the family. Him and God himself will be waiting to call you home some day. Watch over us buddy. Spread those wings and fly high my friend.*
