“ *To Jeri and girls. Lester and I just learned of Johnny's death. We are so sorry. Johnny was always like a brother to Les. I remember when Bonnie was born and Johnny beat Les to the bowling ally and was passing out cigars. We loved you guys.*

“ Johnny was a true gentleman that we thought the world of. He always had a smile on his face as far as we were concerned, he was family. He watched our kids and Grandkids grow up and we never met his family but he always talked highly of them. We feel like we have known them all this time. He will truly be missed and our thoughts and prayers are with you all and may God bless you. Love, Vernon, Sue, Josh, Lilly and Kain McKinnon.

“ *Jeri and Family I am so sad to hear of the passing of my friend whom I also considered the brother I never had. Over the years I knew him he always talked about his family and you could see the love he had for all of you. I had always told Johnny if he died I wouldnt be at his funeral. I do not say goodbyes well but I do say I will see you in Heaven. I hope you have seen my son, my only child, already who we lost 3 months ago..God is still on the throne. Let him help you thru this tough time. Johnny will be greatly missed.*
