“ *After the family reunion in October, we went by and visited with Joseph and Rubye. I wanted to get a copy of Rubye's and Joseph's books. We stayed about an hour and enjoyed our visit very much. We've also enjoyed the books; we learned more about the Hubbard family tree than we knew. I am so glad Rubye took the time to write her memories down for future generations.*

Elbert and I express our sadness for Joseph's passing. I'm sure many in the community will miss him.

“ Our hearts are saddened by the lose of Bro. Hubbard. He was such a great man and loved by so many. His service to the Lord lead him to many churches where he and Mother Hubbard were loved and touched so many. I thank God that we were such church when I was a little girl. The friendship that was forged between his family and ours was and is a true blessing. I know my Dad is happy today to be reunited with his greatest friend. The stories those two could tell. May God be with the family now and in the hard days ahead. We love you all.

“ I am deeply saddened by your loss and pray that God will continue to watch over you and your family, wrap his arms around you and give you the strength to live daily in handling this void in your life. Although Brother Joseph is in a much better place, it is still difficult. I only met him a few times at Pottsville Freewill Baptist but knew in my heart he was such a special and giving person. Every time we would sing about going home to the Lord, I could tell he was so ready. He knew he would be in a much better place with the streets of gold and I look forward to seeing him there one day myself.

“ To Mrs. Hubbard, Ron, Lois, Leon, Mark and families - Little did we know when we adopted Ron into our family that we were being adopted into his family as well. We love you all very much and share in your sorrow. We loved the big guy more than we can say-- he never failed to make us laugh, always had a smile and a welcome. There is no doubt he is strolling on those streets of gold and being welcomed by the many who came to know Christ through his life and ministry. All of you and your families are so special to us and we are thankful for you.
May God comfort and sustain you.

“ Bro. Hubbard pastored at Pottsville Free Will Baptist Church from the time I was 7 until I was 14 or so. I was just a kid learning how to play the piano, and Bro. Hubbard made sure I had every opportunity to play for the church. Had it not been for Bro. Hubbard taking an interest in me, I might not have ever been a music teacher and college professor.

“ Sie Pie, Jackie and I were terribly shocked to learn that Joseph had passed away and his funeral was some eight days prior to our knowledge. It would have been an honor for us to have been present at his funeral service to pay our last respects to him. He was a fine man and will be missed. We adored him very much and had the greatest respect for him. We will long remember the many pleasant visits we have had in your home in years gone by during the yearly Cody reunions. Our thoughts and prayers are with you as you grieve the loss of a lovable companion. May God bless you in your painful loss. Your double cousin, Jackie and George Pruett
