“ I remember Uncle Joe driving Susie Granny, Mom(Donnie) and some of us kids to Morrilton one day. If you are old enough to remember the old Stony Point road where you came off the mountain and made a sharp turn towards the river. Well Susie Granny bought some baby chicks at town so when we got back to the turn to go up the mountain Uncle Joe couldn't get up enough speed to make it up the mountain. So we all had to get out and walk up the mountain, Susie Granny got all her baby chicks and put them in her apron to carry them up the mountain.
