“ *Mark,
Your mom was a special friend to us. I always enjoyed my visits with her. Most times she would give me a good book to read. I will also remember her at election time. We talked about the upcoming presidential election the last time I visited with her. Mom also enjoyed the time she worked with her at Mobley Clinic in Morrilton. Our prayers are with you during this time. She will be missed!

“ Uncle Gary, I was very saddened by her death. More so saddened at the way she was the only "link" between me and my father...I loved her so much and I miss her more and more each day. The last time I saw her, she was very sick, but the strength of her heart was astounding. I am proud to say I am her Granddaughter, and nothing will ever change that. She was loved by many people and I am one of them. Her and my Grandfather made me feel so special. I only wish I could have said goodbye in a better way. Her body and mind may no longer be with us, but her soul and memory will live on with those who cherished her most...I love you, and my father too. My heart and my love goes out to you both.

“ Mark and Gary, I can not tell you how sad I was to hear about your mom. She was not a "client" to me, she was a very dear friend. We had many wonderful times together through the years I did her hair and heard many great stories from her that I will always remember. Take care, my friends, you both are in my prayers. Debbie

“ Gary and Mark. I am sorry but, I was not aware of Juanita's death until today; August 17. I tried to call her this afternoon and learned her phone was not in service. Apparently, the obituary was in the Arkansas Democrat Gazette but I don't subscribe to it. My sincere sympathy to you both. I did an internet search and learned she died August 4. I'm putting my phone number in this if you want to give me a call sometime. Telephone 870-273-4417. Your cousin, Guy
