“ Judy had to be one of the strongest and most courageous ladies I have known. She came to work each day with a smile on her face, always very gracious when asked "how are you?" She smiled and did not complain. My God bless the family in days to come. He can comfort a grieving heart and give amazing strength to carry on. I am so glad I had the privilege of knowing Judy, she was truly and inspiration.

“ Dear Judy,

*Just a little note to tell you that you were not just a co-worker, but a true friend. When I see perhaps we will go hiking again. Maybe this time I will be able to keep up with you. I wouldn't bet on it.*

*Remember you will always be on my mind, in my heart and in my prayers.*

*Love,*

“ *Judy,*

*You were an inspiration to all in your battle against cancer. Each day you came to work I would think how in world you could be so strong. You were definitely a fighter but now it is time to turn in those boxing gloves and get your angel wings.*
