“ *We were so saddened to hear of Judy's passing. She was always so friendly and positive in our office, even when we knew she wasn't feeling well. I am very thankful that I was able to know her. Our sincere condolences go out to Bart, and the Powell and Hockaday families.*

“ *Bart (you will always fondly be known as "Butch" to me)- I was so sorry to learn about Judy's passing away. I know she will be missed by so many. She will always have a special place in my memories -her sunny smile and sparkling eyes, her energy always keeping her on the go. I can still see her standing just inside the doorway at my grandmother's house when she'd come to pick you up after work. Sometimes she sit down and eat dinner sometimes she'd take soup and cinnamon rolls home, but she was always smiling. Know that I'm thinking of you and have you in my prayers - Brenda (Holloway) Victory*

“ *To Judy's son and family:*

To know Judy was to love her. She will be greatly missed and was always a joy to be around.

You are in our thoughts and prayers at this difficult time. Judy "fought the good fight" and is at peace now. She touched the lives of all her knew her and her great skills have made many women feel beautiful inside and out when they walked out of Judy's Swing N Set.

May God's peace be with you.

Sincerely,

“ Bart, I am so sorry to hear about Judy. She has certainly fought a courageous fight with her illness. Judy was loved by so many and we all have great memories of her. My fondest memories are the times we spent on the golf course, she was quite a golfer. My prayers and thoughts are with you.
