“ I am so sorry for your loss. I worked with Judy for many years at CHDC. Judy was always a kind and friendly person, we shared many laughs together. She was so looking forward to enjoying her retirement. We don't understand but God has a plan for our lives, He knows what He is doing. We should live so that we will all see each other again in heaven and what a wonderful time it will be!

“ I worked closely with Judy for many years at CHDC. Judy was a remarkable person and one who will be missed so much. It saddens me to know that she is gone from this earth but our hope lies in the future and that great day God has for us when we will all be together again. My sympathy and prayers to the family during this time.

“ Judy will be remembered for her gentle caring touch. She spent tireless hours caring for people who in no way could care for themselves. I am so sorry for your loss and pray God will comfort you during this difficult time.

“ My thoughts and prayers are with Judy's family throughout this time of sorrow. Judy and I have been friends for a long time. I met Judy when she was dating Danny as he was best friends with my brother, Gary Edwards. I got to know Judy better as we both worked at CHDC. We took many breaks together and she was always talking about her children and her grandchildren - she loved you all very much. I think of her often and will miss her greatly. May God's love carry you through this time of sorrow.
