“ *Conway Human Development Center and it's employees are better people for having known Judy. I worked directly with Judy 20 years ago, and worked indirectly with her ever since. I enjoyed her visits every time she stopped by my office when she got paid to let me know she was going shopping. We always enjoyed a conversation about her paydays, yard sales, and Wal mart. Her smile and love for life was infectious. She never knew a stranger. I will miss her. You had a wonderful daughter. Thank you for sharing her with us.*

“ *Mr. and Mrs. Marlow,*

I was very saddened to hear of your loss. Judy always had a smile and upbeat personality. I remember as a child when Judy would get on the bus every morning she would smile and greet everyone. I know Judy is now in the hands of her Heavenly Father and she is in perfect health. May God Bless you during your time of sorrow.
