“ *I know this woman left a big hole in the hearts of so many people. I'm really convinced that she had no idea at all how many people loved her and how very much they did. Judy was beautiful, kind, faithful, and just one of those people you describe as a beautiful soul. Good job, Judy, I wish we could all be that person who, when they hugged you, made you feel like you had been scooped up by an angel. God needs good people too, now it's His turn. You're in good hands, sweet girl. I love you.*
