“ *Rest in love dear Judy. Although I rejoice at you going home to the Father, I mourn the passing of one of the brightest lights I ever had the honor of knowing on this dark mortal plane. You and your family were so kind to me when I lost my dad. I'll never forget you, and look forward to the day when we will meet up yonder in Glory.*

“ To the family - May you be comforted by the many warm thoughts of those who care.

*Judy will be greatly missed. All of us at Southern Reprographics have missed her since she took her leave of absence. She was a great friend to all. She was so thoughtful and always happy. At the holidays she would always bring us a cheese/meat tray, and there was never anything left over. RIP Judy, you will be missed and you are loved.*
