“ *Growing up as neighbors in Plumerville was the best. I'm so sorry Brenda and Edna Sue but I know she is with her beloved Jeff. I remember when those two met she was so crazy over him. RIP my friend..till we meet again.*

*I came to know Judy and we automatically clicked. We would talk almost every night. I would go visit her and chat awhile. I was a shoulder when she needed it. And I didn't mind at all. When she gave me the news, I tried to encourage her and be there for her. I Must say, " I loved her". I still find myself wanting to call her EVERYDAY. My condolences to her son's whom she talked about alot.*
