“ Julie and I were in the graduating class of Perryville 1984. I always remember Julie making everyone smile and laugh. She was a great singer and a little shy until she got to know someone. My prayers are with all of the family during this time of sorrow and loss. I can see Julie singing and saying "Don't be sad, I am waiting to see you again soon."

“ To all the family, we want to send our love and sympathies. Julie was always kind and friendly & would take time to speak to me and talk about how her Mom and Dad were when I would bump into her at a store. I will always remember her happy & sweet ways. Margie Herrick. My memories are of Julie as a sweet baby sitting in a high chair while Debi and I played at her house or while we helped shell peas & snap beans. I always loved being at "Weasie's even though work was sometimes required! Ronda Herrick-Elliott We are so sorry for your loss.
