“ *I am very sorry for your loss. I had met Mr. Little through my Uncle Richard Rogers who worked at the lock and dam at Toad Suck and then at Morrilton. He was a very nice man as I remember. My uncle passed away about six years ago but he talked very highly of Mr. Little. On more than one occasion he talked about what a good man he was. Again, I am so sorry for your loss and may the Lord be with you in this time of Loss. Respectfully, Dewayne Williams*

“ I will miss my uncle Bruce Little. He was a fine man, a wonderful loving father to his children and their children, and a good husband. He was more than these things to those who knew him. He came from a fine family of hard working folks, a country boy. He knew the "Great US Depression". He was a member of the "Greatest Generation". I never heard him raise his voice, although he might have done that when the kids got a little out of line. Aunt Jeanette, Ken, Darryl, and Janice and all family members, please accept our sincere condolences at this time of sorrow. We will miss him, but we will always have him in our hearts.

Sincerely,

Bert Gullett and family
