“ Aunt Karen will be greatly missed by my family. She always showed her love to me as a child and treated me as if I was her son. Her pancakes were the best I have ever eaten and we really enjoyed the homemade pizza also. She took us to educational sites and always had fun things to do during our visits and overnight stays. She continued to stay in touch during my military years by letter. She was an amazing letter writer and I really enjoyed reading the updates from home. I will forever cherish the memories and time spent with Aunt Karen.

Aunt Karen will be greatly missed by all who knew and loved her. Some of my special memories are: I will always remember when I was growing up and visited her, Uncle Troy & my cousin Virgil, she always gave me creative activities to keep me entertained and busy and keep me out of the boy cousin's hair -- she made it a fun time for all us kiddos and I'll also always remember the homemade pizza's and in later years, BBQ sandwiches and just great conversation. I have to say too, during my many military year's, serving away from home, I could always count on an informative letter from home from Aunt Karen and these were greatly enjoyed by me and my family. I will forever cherish these memories--She was and is one of a kind and a very special lady!! Much love to all her family and friends xoxoxo
