“ *Aunt Katherine was always such a joy to visit! She was so thoughtful and generous. Every year she would give my little girls a Halloween treat. Also my girls loved playing with her miniature dollhouse. One day when she was out "flea-marketing" she saw a miniature dollhouse and bought it for them! We love you Aunt Katherine and will miss you!*

“ *I don't think I have ever known anyone as happy and cheerful as Mrs Mobley. When I think of her I see that radiant smile and hear her laugh. She made everyone feel special. She will be missed by everyone who knew her but oh what warm memories we will have of her.*
