“ *Kathy was such a joy to be around. She loved the Lord and sang like an angel. She will be greatly missed and heaven received a true angel in her. God Bless all her family and friends during this time of sorrow. We grieve because we will miss her but we know she is celebrating and would want us to celebrate with her.*

“ *I am so saddened to hear of Kathy's passing. She was such a beautiful person, inside and out. I don't ever remember her ever having a bad word to say about anybody, only kindness and she just had this beautiful smile. My prayers are with you all during this time and the months to come.*

“ I will sure miss running into you at Wat-Mart! You always made me laugh and gave me spiritual encouragement. I have never forgotten you sitting and praying with me during difficult times. I will always be thankful for hearing you sing and praise the Lord. You are no doubt one of the very best people I have ever known. I know you are rejoicing with Dan in a wonderful place. I will hear you sing again one day!

“ I've known Kathy since I kept her grand daughter Olivia .... and she was the sweetest dearest person that loved her Lord! One night my sister Donna, Cheri Hill and Shelly Wallace drove by Kathy's house and you could hear this beautiful voice coming from Dan's building. Oh what a beautiful voice .... We stopped and was invited in to listen to her sing with her neighbor friends. We just sat for hours listening to all three of them singing ! But more than all Kathy talked about how she loved the Lord and her husband Dan that had passed away 2 years earlier .... said she was ready to see "Her Dan" so to Kathy ..... Im so glad you finally made it to your resting place with the Lord and Dan. You will be very missed but you will live on through David and Angie. God bless the family and I pray that you will all heal soon ...

“ Our hearts & prayers go out to this family in their loss of Kathy. I know how much Becky loved her because Kathy was all she talked about! How much fun they had doing things together & just being together. I'm just sorry that I didn't get to meet her. I do know that she is no longer in pain & is in peace. Our love goes out to the family in this sad time.
