“ My memories are of the man that came to Brookridge Cove and became my friend. His family was always very kind to me and man oh man he loved that dip and anything sweet.. He was always talkin about those grandkids that came and spent time with him.. He loved his family and was always on the look out for them.. I was always blessed with a kiss on the cheek in the mornings when I got to work.. Thank you for letting me be apart of his life even though it wasn't long. He will always have a place in my heart! Prayers for you all!
