“ *I am sad to hear of Kenneth's loss. My memories of him and especially of growing up in Houston always pull me home. As you know we of the Thomas family are scatter far and wide but we all still hold Houston and home close to our hearts. Please know that my thoughts and prayers are with you all. “ *I have recently lost my mother, also in her nineties. Living in Georgia, I do not know Mr Goff, not you, his friends and family, I know the pain of loss. Someone gave me a pamphlet entitled, "When Someone You Love Does". It helped me so very much, and I would be most happy to send it to you if you would like. Please drop me a note at tedbedenbaugh@yahoo.com with your mailing information, and I will get it in the mail to you asap. Regards, and sympathy, Ellie Smith*
