“ *Aunt Eleanor and Family, We are sorry for your loss as well as our own. Uncle Kenneth was a very special man, who made me feel special and loved since the time I was a little girl. He also welcomed Terry to our family and always made him feel welcome. We will miss him and his sweet smile. It is so sad to lose those that we love but to know the life he lived and God's promise, we can look forward to one more reunion some day. We love all of you and pray for your peace.*
