“ We were so sorry to hear this news. We can't imagine the grief and loss you all must be feeling. I remember coming over to your house especially in the summer and there was always good food, family and Kenny always felt like that big brother type to me that would joke around, tease, smile and laugh. Our thoughts and prayers are with you. Tami Hester Johnson

“ Even as a little boy he was Vicki's protector. We sat every night after supper and read a few pages of his school book. Then he was anxious to go outside and play. Always my little buddy. And his laugh was one of a kind. I will miss him dearly. Love you Kenny man.
