“ I am so sorry for your loss. Mr. Pearson was a great man. I loved listening to his stories of when he was a police officer and from his years of flying planes. Prayers for Martha and his kids, he will be greatly missed!!

“ Kenneth was my second cousin and over the last 8 to 10 years we have kept in close contact . Sometimes we would talk several times a day and some of the conversations lasted for 1 to 3 hours. We discussed a little bit of everything, life and how fragile it is and how good our lives have been even though life isn't perfect, problems of the world and our solutions, and there were so many things we discussed that really didn't have anything to do anything serious. I am going to miss our talks. We talked last on Wednesday of last week and after a while he said my daughter is calling let me catch her call I will talk to you later. I miss him

“ Mr. Pearson was the father of my closest friend, Cherie. I offer my deepest condolences to Martha and Cherie, as well as the entire family. My memories of Ken are of a vivacious man who worked hard and who made the most of life. He loved to fly and now he flies with the angels. God bless.
