We know that this has been a long road and that there have been so many ups and downs in his struggle. We both stated how amazing your family has been especially Susan and Brenda. We love you all and are praying for comfort for all if you. He loved his family, you could see it in that glint in his eye and in his smile. We love you dearly.*

“ Dad... I have loved you All my life & that will never change, even in death. You were an asset & JOY to your family & friends .I will remember you with such fond times....my very first hunt, with YOU(that was the most exciting part for me!) at Christmas break at Leslie Family Cabin; there was a big snow on & all the cousins (kids) finally got to go with the "guys" (dads & uncles) hunting . I'll never forget,we all spotted a Red-winged Blackbird on the fence post.... you talked me thru what to do & helped me balance your gun on my shoulder(the gun was bigger than I was lol!) then you said pull & I actually hit it !I have hunted all my adult life, taught my kids to hunt, was there when they made their first successful hunts & that was awesome memories but...of all hunting memories, OURS , Dad is my most cherished. love you always.
