“ *Our families were joined together in 1968 when my father married Ladean's mother. At that time, Ladean was already married and had a family of her own. I was eight years old. I vividly remember going to her house often and playing with Jimmy. Then, as so often it happens I grew up and moved away, to Illiois, Minnesota and then Missouri. I would only see Ladean when visiting my parents. We then had an adult relationship and I always loved spending time with her. My step mother, Thelma, would always tell me how Ladean would stop by nearly everyday at lunch time. Ladean was a wonderful, caring person. I am so happy our paths crossed all those years ago. I know that she is happy in Heaven and reconnected with family members who have gone on before. I am proud to be her sister.*

“ LaDean and I met in 1968 when her mother and my father got
married. She has always been a wonderful step-sister to me. One
year she and her family spent Christmas in Mt. Vernon, Il with us,
another year she and Dan had us in their home for Thanksgiving.
There are many memories that will live on. I'm very sad about her
death but it's so comforting to know we'll meet again someday.

“ Mike Newman & Famiy,Please know our prayers are with you and
your family.I know there are many questions why? with unknown
answers.Today and for many tomorrows, you **MUST** get up and
take it one step at a time. I do wish I could tell you the pain would go
away, but I can't.But, I do know now that the heart is strong and it
will adjust.Not that you will miss your love one any less than
before,For you will always miss her,But you will see them through
your heart.In the days to come, you will be able to carry on a little
easier each day.For the memories of the past, of when you laugh
and share beautiful times togetherthese memories will comfort you
in the days and years to come.And when you can, share some of
those memories with your family and friends.So, they too can share
your memories and your love for her.Prayers are with you,Don
