“ Some of my earliest memories are of Landon and his sibs coming to my grandparents' house to wait inside where it was warm to catch the school bus after they had walked a half mile. He used to tease me and it made me feel special.

I am so sorry to learn of his passing, I wish we could have gatherings like we did before the virus where the community came together to honor someone we had lost. Landon was a beautiful person. Rest in peace my friend.

“ To Landon's daughters and their families, So sorry to hear of Landon's passing. We really enjoyed visiting with him at the Kirtley reunions we had in the past few years. Loved his sense of humor and kindness. Our deepest sympathy, Gary & Dorendia Bird and family.

Rest in peace cousin.
