“ *Larry was one person who could make everyone smile and laugh. He always had a great story to share. As big as his stories were, his heart was even larger. He looked out for and cared for the others around him. He will be missed.*

“ *There is no way that I can begin to put into words how myself as other Staff felt about Larry. Larry could tell stories for hours and keep everyone in stitches. Larry was so helpful with the other Residents. He could always make them feel good and put a smile on their face. Larry will be greatly missed.*
