“ *Larry and I were best friends at Sacred Heart from the first grade through high school. Larry was a great basketball player and I have tons of great memories about our basketball and American Legion baseball careers through the junior high and high school years. Many people may not know it, but in addition to being a tremendous athlete Larry was a math whiz.*

*I haven't seen Larry in many years but I was fortunate to have a wonderful long conversation with him about 10 days ago. We talked about everything from our school days to our kids to politics. After I hung up I was struck by how good Larry sounded and how incredibly upbeat and accepting he was.*

*As we age it feels like old friends actually become family. To my Zimmerman family my condolences. My prayers are with you and I know Larry is at peace.*

“ *I am so saddened to hear about the loss of Larry. He was a wonderful man who was loved by all who knew him. I can remember being at the horse races one day. I went to Larry for advice on every race becasue I knew that he knew a lot about racing. That day, he had an off day and I lost every race. But just visiting with him made my day. He was always so sweet and so kind!!! He will never be forgotten!!!!*
