“ Hello,

*I am Lola's daughter, she and Cliff are on their way to see all of you and share in everyone's wonderful memories of Lela. I am glad there are so many of you with a little of Lela within, she will be remembered fondly.*

*I am thinking of you Aunt Eathel, Lela's sister who I remember the most; take care of yourself during this busy time, remember to take a moment of rest for yourself.*

*Even though it is a relief that Lela no longer suffers, we suffer a great sadness for our loss; which is so great for so many of you it will last a long time. May your fond memories become a comfort and you have a lot of time to enjoy the large family left.*

*Death leaves a heartache no one can heal; Love leaves a memory no one can steal.*

*Oh, Heavenly Father*

*We thank thee for Food and remember the Hungry.*

*We thank thee for Health and remember the Sick.*

*We thank thee for Friends and remember the Friendless.*

*We thank thee for freedom and remember the enslaved.*

*May these remembrances, stir us to service, so that thy gifts to us may be used for others.*

*I will be thinking of all of you with Love,  
Jeanne*
