“ *Robert and Diana, we are sorry to hear of your loss. I recall Mr. Zachary bringing a live River Otter to the AGFC office when we were needing live otters for a study. The otter was in a large plastic barrel and we ask him how we were going to get the otter out and Mr. Zachary replied with a big smile, while walking away, "that's your problem!". Our thoughts and prayers go out to you and all the Zachary family.*
