“ Brenda, No words can replace the pain or sorrow that you are all feeling in this great loss. You gave me an angel when Danny passed on, it has given me great comfort in those trying days so I'll finish this with the saying: If tears could build a stairway, and memories build a lane, I'd walk right up to Heaven and bring him home again.

“ God bless you during this time of sorrow. We are selfish for ourselves, but when we love someone as I know all of you loved Leonard, you don't want them to suffer. I know it is hard, but this is a bridge we all must cross. Just think of the good times we have had with him. I remember one time we were all having a good time and he and some of the others went to the store to get some cokes and on the way back the passenger side door came open and one of the girls fell out, but thank the Lord, she was not hurt. We just all had a big laugh about it. He lived across the railroad track from me when we were growing up and we all spent a lot of time together. I have a lot of good memories of those times. We love you all.....Paul & Zoann Hudspeth
