“ Aunt Leone was one of my favorite people, especially in my younger days. I always enjoyed her company and stopped to see as I came through Springfield when I could. God bless her children during this time of sorrow. You are in my prayers with love.

“ To the family of Leone Crye,

Although it's difficult today to see beyond the sorrow, May looking back in memory help comfort you tomorrow. May the peace which comes from the memories of love shared, comfort you now and in the days ahead. love you all. hugs.

This is my favorite quote- very special to me as I found it after my twin sons Joseph and Alan passed away. so Im sharing it with you all and hope this help in some way.

The angels are always near to those who are grieving, to whisper to them that their loved ones are safe in the hand of God. ~Quoted in The Angels' Little Instruction Book by Eileen Elias Freeman, 1994
