Dale and Judy, You may not remember me, but my dad L.C. "Slim" Canady worked with you in the Pulp wood business. We used to come to your house. If my dad were alive he would want me to tell you that everything's going to be OK.

“ Lewis was one of the last few people in the service station business that would actually come out pump your gas and clean your windows. Very good and honest guy ! Not many people in this world that you can truly say that about ! Hate to hear of his passing.
