“ *Linda was the best aunt to me that a girl could ask for. I cherish the times we spent together at the beach, the times in AR & the many special moments we shared at family events. She taught me so much about life. I loved her & was glad I got to spend time with her near the end. I will always love her & will miss her every day. We shared a love for cats & all the fun times they brought to us both. RIP Aunt Linda, I will always cherish the memories we made together.*
