“ *Aunt Linda and my Mother were best friends who married brothers a very long time ago. I loved hearing all their crazy stories about each other. Shana and I would be inseparable growing up. We are like sisters than cousins. We would drive Aunt Linda crazy with our mischievous behavior and late nights when I would visit...which was just about every weekend when I moved back to AR from CA. It hurts me to not be there for you, Shana. Praying for God's peace and strength for you. Know that you are constantly on my mind. I love you.*

“ Linda was such a sweet lady. I remember taking her cheesecake one day after talking to her on the phone about really wanting some! She was so surprised and excited. I painted her some Angels once as well, she was just so sweet and kind and loved receiving special gifts/gestures. I knew Kevin and Hannah, and I know every time I seen her she talked about how much she loved and missed Yall so much. Rest in peace
