“ *My heart goes out to all of you. Your mom was always there at everything we did in school and I loved talking with her. She was a great lady!*

“ *My heart, like yours, is broken. I have not been close to her over the years like I wanted to be but I loved her. My memory is of one Sunday morning when we were in school. I had spent the night with Jo and the next morning Pearl let us use the car to go to Gardner's Store and get a Coke and the Sunday paper. We were in our gowns and dusters. When we returned, Pearl had a fit but let it go. Only in Perryville.*

“ Jo was my supervisor when I was in college. I always loved her and thought of her as "my mom at work" Even after she retired and I left, she surprised me by coming to my baby shower for my first child, and sent me a Christmas Card every year. She was very special to me and she will be missed.
