“ *Hard to believe it's been so long. Honestly it's been tough trying to learn how to be a man without you but I'm doing the best. So many stories I've heard but SO MANY I want to ask. A perfect man behind a rough strong exterior! Missing my old man everyday!*

“ *Lonnie was a real good friend. There was many days he came to our shop and sat and told me stories of his childhood and growing up. Lonnie will be missed so much. I wish he was still here but am thankful he is not suffering anymore. My thoughts and prayers are with his family.*

“ *I have known Lonnie for a long time. Even though it was hard to say goodbye to him on Tuesday, I am relieved that he is now pain free and at peace. May God bless his sons and other family members and ease their pain at this sad time. Lonnie, you will not be forgotten and will forever be loved as a true friend. John and I will both miss you!*

“ *How to express one relationship? I attended school with Lonnie, taught HE when Barry and Allen were in school and was still there when Barry came to teach there.*

*Boys it was so hard for me to lose my dad. Time eases that pain but you will always miss him. My prayers go with you. lone Johnson*
