“ *I Did Not Die*

*Do not stand at my grave and weep;  
I am not there. I do not sleep.  
I am a thousand winds that blow.  
I am the diamond glints on snow.  
I am the sunlight on ripened grain.  
I am the gentle autumn's rain,  
When you awaken in the morning's hush,  
I am the swift uplifting rush  
Of quiet birds in circled flight.  
I am the soft stars that shine at night.  
Do not stand at my grave and cry;  
I am not there. I did not die.

“ *Growing up I can remember going to Christmas parties at legion  
and your mom playing and singing songs with all of us kids, good  
times had by all.*

“ *She certainly has such a wonderful family and must have been an awesome mother. She and Mert were the parents of our good friend Eric Perry. He is such a sensitive and caring man which is surely in part the result of his upbringing. Our thoughts and prayers have been with your family in the days since we heard of her passing. She has left her mark on the community of Bliss. God bless and be with all of you!*
