“ *I want to thank each of you for being part of my mothers life. Without contact from friends and family her later life would have been very lonely. The flowers and prayers provided to her will always be remembered by her family. Thanks to all of you. Lottie Jo Bingham and family.*

“ *I am sorry for your loss. I have good memories of Lottie from more than 60 years ago. She was a very lovely person & a good "cotton picker."*

“ I will miss my Nana more than anyone will ever know. I regret so much that I didn't have the nerve to stand up and say something about her at the service. She knows how I feel though and I know that. I wish I could have shared that with everyone in the room and I will always be sorry for that. I know she is with my Papa and that she's happy and sees better than ever.
I love you Nana and I will forever miss you.

“ With deepest sympathy to the family of Lottie Howsley. I recall spending many happy hours with Joe and Lottie, usually at Mary Edelmons home when they vacationed.

“ I don't know any of the daughters, but Lottie was a cousin of my Dad, George D. Cleaver, and I have met Lottie, Williedean, and Thomasine. We used to visit Aunt Mary and Eddis a lot. I just wanted to let you know that I saw the obituary in the paper and wanted to let you all know that you are in my prayers today.
