“ Mary Ann - really sorry to hear this, she sent me a birthday text in January talking about all the times at your parents house. I am thinking about all of those good fun times.

“ *My sincere condolences to the family. Louise was one of my very first friends. And while we didn't stay close as years went by, we always knew we were friends for a lifetime. I will miss her, knowing my forever friend is gone. Prayers.*

*My deepest sympathies for her family. I have known Louise since the day she hired me to work for Dr. Lee back in September of 1993. I was her first hire after he made her his temporary office manager and look where she ended up, a wonderful leader and mentor to all of us at TENTS! She will be forever loved and missed.*
