“ *I had the honor of working with Dean some as he came to River Valley over the past several years. We always seemed to have this race everyday at lunch to see who would make it to the microwave first...he usually beat me! He was such an insightful man and I loved the small talks we would have almost on a daily basis. He will be greatly missed. May God give you the strength to get through the days that follow and give you comfort. Jenifer Mitchell, Med Pro Ed Instructor at River Valley.*

“ *Mrs. Douglas and family, I was so sorry to hear of your loss. I was acquainted with Dean when he first began to drive the bus from Perryville to the River Valley Technical Center. I supposed I was the one who hired him to be an aide in mechanics. God bless you.*

“ *Sherry I know there are no words to take away your pain. Just keep your faith and let him live on with all the memories you have. Just remember he is at peace with no more pain or suffering. He will always be in your thoughts and heart. If we can do anything please let us know. We love you. Randy and Barbara*
