“ *I flrst really got to know and love “Miss Lucy” when I was teaching elementary school at Wonderview. She was the aunt and babysitter of many of my students. I soon learned why “Aunt Lucy” was such a special person and loved by them. She was also known as a great cook especially her yeast bread. I became a witness to that when she would send me raisin bread for Christmas. She always came to our grandparents day and other special occasions to support the children she loved. I feel blessed that my students shared their “Aunt Lucy” with me. I am sending my sympathy to all her family.*
