“ *Benny and Family, Ruth West was a good woman. She was always such an inspiration to me. I don't ever remember her not being positive about things when visiting. She might be a little negative during the visit, but always ended on a positive note. I know you will miss her, but I can promise you that as time goes on, it will get a little easier. We love you and are thinking of you.*

“ *West Family: So sorry to read this morning about your loss. We would see Ruth at WalMart when we took our dad, Lucian Bizzell, shopping. One day, she said "IF she could drive she would come visit him." Then she said, "what would people think if that little red truck was on his road?" It was a sweet conversation. Praying for peace, comfort and strength during these hard days. The Lucian Bizzell family children, Sharon Bizzell McInturff, Charlie Bizzell and Donna Bizzell Wright.*

“ *Benny and Becky, I am so sorry to hear of your loss. Jan called me to tell me about it. I knew you mom hadn't been doing well, but her passing was really a shock to me. I remember so well the first time I took Clint out to see her. I don't think he was but a couple of weeks old. She was so concerned that Tracey was so rough with him and didn't handle him as she felt a newborn should be handled. Her concern was so touching. She was a sweet woman and mother loved her very much. I know she, Hester, Mother, Aunt Essie, Granny and Papa O'Brien, and Robert and all our other much-loved family membes are rejoicing at being together today. I know I will be when it is my time. I know it is hard, but I hope you can rejoice for her instead of grieve. You are all in my prayers.*
