“Auntie” was a very sweet and special lady to many, to me she was another momma. We shared so many special memories. I would go stay with her every summer I could and any other time I could get away. I loved to cook and do crafts with her, she was always alot of fun. I loved helping her in the concession stand at the bluegrass park. It was alot of hard work, but we somehow made it through. Some of the best food ever to come from a concession stand with her special homemade flair and love. She will be greatly missed by her friends and loved ones. But there is no more suffering and pain from this earth for her, for she is with jesus in heaven. Love you for ever Auntie - Kathy
