“ Our family was blessed to share the last over two years With Mrs Mable and family at Briarwood. My Mom, Bess Shelton ate 3 meals a day at the same table and we were there for lots of meals. Mrs Mable was so sweet And always telling us about her children and what a blessing they were. How you all loved the Mountain. I could pass by her room and see her reading her Bible. She was a lot like my Mom and they became friends and that made us happy to listen to them talk. We had to encourage them to eat. But never desert they both would gobble that down. So my Mom died in February but we still visit And I was so glad we were there last week to visit. I know God sent us to say goodbyes. You all have blessed our lives and we are richer for that.
